Albany Red Cross Workers Map Residential Drive

One and only meeting of area chairmen and workers in Albany Red Cross residential drive will be held on Tuesday 7 p.m. at Cornell School Cafeteria, 919 Cornell Avenue. Purpose of the meeting is to plan the campaign, instruct workers on the reasons for the drive, and to distribute kits to workers.

Will H. Betten, chairman of the drive issued a cordial invitation to all solicitors, captains and chairmen to attend the meeting. The importance of this drive to the Red Cross Fund Drive was stressed by Mrs. Betten.

This year's Albany, Berkeley and San Francisco Red Cross Fund Drive is planned for residential areas, to provide the total budget necessary for all activities in the drive. According to Mrs. Betten, the terms of the agreement between the Red Cross chapters and the United Crusade provided for Red Cross participation in business divisions, and does not depend on the monies collected from residential areas.

Mrs. Betten added that additional help is needed to carry on the drive. The collection of blood for gamma globulin, "This blood derivative is important in the treatment of polio victims," Mrs. Betten said. "The Red Cross has the responsibility of collecting blood for the Armed Forces and for Civil Defense. In many of the valuable services conducted by the Red Cross, residents are urged to attend meetings."

Legion to Man 'Freedom-gram' Station Saturday

Because of the local support and interest shown in the nation-wide Crusade for Freedom program, Albany Post No. 292, American Legion will again open its "Freedom-Gram" station Saturday at Solano and San Pablo Aves.

A large group of Legion members will be there to explain and to pass out Freedom grams to be signed for transmittal behind the Iron Curtain. The delegation will be under the direction of Ralph Buckwalter, Americanism chairman.

All money contributed through free will offering will be used to expand the Crusade for Freedom program, such as building more radio transmitters, expanding facilities already in operation and maintaining other means for getting the truth to freedom loving people behind the Iron Curtain.

Among the interesting things the local committee has encountered is the support of the displaced persons, refugees and others who have escaped from behind the Iron Curtain and are now making their homes in Albany and near by communities.

In some instances, according to Buckwalter, they would not sign Freedom-grams because they still have relatives in parts of Europe under Communist rule and fear the reprisals against their loved ones.

Mayor Jerome Blank Named Jaycee's 'Outstanding Young Man of Year'

Mayor Jerome Blank today has been selected as the Albany Junior Chamber of Commerce's "outstanding young man of 1952."

The announcement was made this week by President Sol Rindberg following a meeting of the selection committee.

A dinner honoring the 32-year-old mayor will be held next Wednesday evening at the Red Barn, during which he will be presented with a plaque and other awards. The public is invited.

Blank entered the local political scene in April, 1950, when he was elected to the City Council for a two-year term. He served as mayor during that time and continued in that capacity when re-elected for a four-year term in April, 1952.

A resident of Albany for the past 28 years, Blank has operated his own real estate and insurance business here for the past six years.

The Mayor—one of the youngest in California—served 4½ years with the Navy during World War II. He was a lieutenant aboard the USS Louisville where he was in command of an eight inch turret. Later he was attached to the 5th US Marine Division where he served until the end of the war. He now holds the rank of lieutenant commander in the Naval Reserve.

Blank is a graduate of Cornell and Albany High Schools, and received his B.S. degree in mining engineering at the University of California.

In addition to participating in

MAYOR JEROME BLANK

local and Bay Area civic programs, he is a past president of the Junior Chamber and a member of Albany Post No. 292, American Legion.

Blank and his wife, the former Muriel Tansley, make their home at 1013 Ramona Ave. with their two young daughters.

Mothers' March to Climax Polio Drive

Albany marching mothers are going to do it again.

For the third successive year, they're going to put on their walking shoes and cover the community's residential areas block by block to collect funds for the March of Dimes.

As in the past three years, the mothers and others who have volunteered to aid the campaign will start out at 7 a.m.

Porch lights and other signals will direct their footsteps to homes where March of Dimes contributions are ready to be collected.

Official participants will be identified by special Mothers' March kits which they will carry.

The marching mothers will include members of PTA's mothers' clubs and other interested individuals interested in work of the National Foundation.

Fred Lennox showed colored slides taken on his recent trip to Yellowstone Tuesday at the High Twelve luncheon.

Memorial Rites Set Today for Mrs. Perkins

Memorial services will be held at 1 p.m. today for Dorothy Winspear Perkins, 903 Ramona Ave., who died at home Tuesday following a brief illness. She was 62.

Services will be conducted at St. Alban's Episcopal Church, Washington and Curtis Sts. Mrs. Perkins had been an active worker in the church and was a charter member. In addition she did extensive Red Cross work during World War II, and worked 10 years as a secretary for the Standard Oil Co. in El Segundo.

A native of England, she came to this country in 1913. She resided at Hermosa Beach prior to moving to Albany in 1923.

Surviving are her husband, Myles, a son Walter of El Cerrito; two daughters, Mary and Dorothy Perkins, both living at home; two brothers and one granddaughter.

Private family committal services have been arranged by Ellis-Olson Mortuary. In lieu of flowers, the family has requested that contributions be made to St. Alban's Church.

Baptist Men Hear Professor Speak

Bruce Rogers, professor of Greek and Practical Work at San Francisco Baptist College was guest speaker at a dinner meeting of the Albany Baptist Men's Fellowship Monday evening at the church.

Claes Wyckoff, advertising executive and member of the group was featured in the "What I Do" spot on the evening's program.

Special music was provided by Prof. Robert Young, head of the music department of the San Francisco Baptist College. The program was completed with the showing of color sound movies on Yosemite.

Council Will Hear Views February 17

The Albany City Council today has called a special public hearing for February 17 "to hear opinions from the people" on a proposed \$500,000 major highway construction project for Albany.

The hearing will be held at the City Hall at 7:30 p.m., and if necessary will be moved to a public school in order to accommodate the expected large attendance.

Action came at the Monday night session after numerous residents protested the proposed plan which would make certain city streets "cross-town" highways.

The highway plan was drawn up by the Alameda County Highway Advisory Committee for presentation to the Collier Joint Fact Finding Committee on Highways.

The committee proposed to make a "cross-town" access highway along Marin Ave. and Buchanan St. between Berkeley and East Shore Highway, a north-south divided highway along Key Route Blvd. and Masonic Ave. between Berkeley and El Cerrito, and the conversion of Sixth and Coolidge Sts. into a wide highway.

Mayor Jerome Blank and other Councilmembers expressed the opinion that they were absolutely opposed to any route which would convert any of Albany's quiet residential streets to heavily traveled speedways or freeway.

"We must think of the safety of the children who have to cross these streets to attend school," Blank said. "I am very much in agreement with any plan which will provide better traffic distribution at East Shore Highway and Southern Pacific tracks, keeping in mind that any access or cloverleaf design must remain clear of existing residential development."

In other action, the Council instructed City Atty. Edward R. Plotner to confer with the law office of Young, Ryan and Whitton, which has been retained by John Pleich Jr. of Flowerland Nursery to collect \$266.77 for seed and other materials furnished the city for the Key Route Blvd. grass planting project last fall.

At that time the City Attorney ruled that the city was not obligated for the bill, since the lawn materials were purchased without calling for bids.

Atty. Joseph Yovino Young explained in a letter to the Council that "I feel certain that as honorable persons, it is not your desire to see any merchant in the city suffer a loss from acting on a purchase order, which he believed issued validly. In this connection, I feel that a court would enforce payment of this obligation where the merchandise was actually delivered."

I SAVED \$116.86 ON THE CAR I BOUGHT

"I made over a 50% down payment on a late-model car. I was told it would cost me \$257.60 to insure the car and finance the balance of \$700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan instead and paid an insurance and financing charge of only \$140.74. I saved \$116.86." (One of many actual cases.)

convention of the Diocese of California, meeting in Grace Cathedral, San Francisco, February 3rd and 4th, were: Mrs. David Reed, Walter Kees and Frank Sibilia.

At the annual meeting reports were also heard from all the organi-

zations in the church. The cutting of the Epiphany cake followed the pot-luck dinner which preceded the meeting. Hidden in the cake was a ring. The person finding the ring in his piece of cake became the Epiphany king for the year and brings the cake next year. This honor went to Dr. Paul Bryan, superintendent of schools with Mrs. Bryan becoming Epiphany queen for the year.

Codornices Parent Nursery Has Openings

Codornices Parent Nursery today has openings for children from two years to kindergarten age. Only residents of Kula Gulf, Veterans Village, Codornices Village (both Berkeley and Albany sections), and other parts of Albany are eligible to register.

This cooperative parent nursery school requires parent participation in its morning program according to a regularly-assigned schedule, and weekly attendance at its parent education meetings held on Wednesday evenings at the nursery school.

The aims of the nursery school are: (1) To provide education of the parent through the evening class program and (2) to provide a child laboratory where the growth, development, and needs of pre-school children can be observed and studied and where actual experience is provided the parent in supervising creative experiences and giving guidance to the individual child and to groups of children of pre-school age.

Fees for the course include a \$1.00 registration fee, 50 cents for the nursery school handbook, and a monthly \$2.50 nursery school fee.

Those interested in registering may contact Mrs. Mae Tilles, the director, between 8-45 and 11-45 a.m., Monday through Friday, at the Child Care Center Building in Codornices Village.

"When Losing Is Winning" will be the sermon topic of the Rev. A. O. Odgaard at the 11 a.m. service Sunday at the First Baptist Church. The chapel choir and other special music will also be heard.

At the 7-30 p.m. gospel service, the pastor will speak on "Christians Ought to Know."

Local PTAs Map Founders' Day Observance

To plan for the annual Founders' Day program of Albany's six parent-teacher units, presidents and founders' day chairmen of Albany High School, Cornell, MacGregor, Marin, Vista and Codornices PTAs met recently at the home of Mrs. F. L. Wray, general chairman of the hostess unit, Albany High.

Observance of the fifty-sixth birthday of the National Congress of Parents and Teachers will be held Tuesday, February 10 at 2 p.m. in the Albany High School Auditorium.

Final plans for the Founders' Day program will be made on February 5 at the home of Mrs. F. L. Wray, founders' day chairman for the hostess unit.

The founding of the National Congress of Parents and Teachers in Washington, D. C., 1897, by Phoebe Apperson Hearst and Alice McLellan Birney is a nation-wide celebration by all parent-teacher associations. It is an inspirational program honoring the founders and proclaiming and reaffirming the ideals of the National Congress which are mainly the welfare, education and protection of children and youth. Appropriately at this time each unit awards one or more life memberships in the National Congress to persons who have unselfishly given of their time and efforts to parent-teacher association and community affairs.

Named to head various committees are Mrs. George McCormick, Cornell and Mrs. Stanley Shaugard, Vista, refreshments; Mrs. Henry Cavigli of MacGregor and Mrs. Fred Woodward of Marin, decorations and Mrs. Frank Knight, Codornices and Mrs. F. L. Wray, Albany High, program.

They are both registered at the University of California for the spring semester and will major in Business Education and Administration.

Other guests included Helen Lundberg, Isabel Atkins, Agnes Rydland, Elva Hansen, Marge Bishop, Marilyn Granholt and Grace McKnight of the Berkeley Gazette.

MacGregor PTA will award two life memberships this year. The cost of the life memberships, \$25 each, is paid into a fund administered by the National Congress of Parents and Teachers which covers teaching scholarships and loans to students taking teacher's courses.

Proceeds from the event will go
to the church choir robe fund, ac-

Mrs. Vivian Peterson is in charge
of decorations and has selected tra-
